

Johan Rosenmunthe (1982, Copenhagen, Denmark) finished his study of photography at Fatamorgana the Danish School of Art Photography in 2006. His recent solo exhibitions include two of the well respected galleries in Denmark, Tom Christoffersen & Falkener Project. Rosenmunthe's work is represented in the collection of the Danish Arts Agency, which he also recently received a grant from. He is featured in several publications and has published two books with his projects.
